Re: PRIMAL SCREAM

Thank you for sending your material to EMI/Liberty Records. We have carefully reviewed the enclosed, and while we feel it is of good quality, we must at this time pass.

Again, thanks for thinking of us. Good luck on your future projects.

Sincerely,

Steve Ralbovsky

P.S. Sorry, but this music is in far too rough a form to interest us at this time.

EMI America Records and Liberty Records are operations of CAPITOL INDUSTRIES-EMI, Inc.
